137 **SECTION 3. Protections for the therapeutic use of marijuana.**

138 (1) A qualifying patient who possesses a valid registry  
139 identification card is not subject to arrest, prosecution, or

141 including any civil penalty or disciplinary action by a court or  
142 occupational or professional licensing board or bureau for:

144 under this act, if the cardholder does not possess more than the  
145 allowable amount of marijuana;

146 (b) Transferring marijuana to a testing facility for

165 marijuana under this act if the person is in possession of a  
166 registry identification card and an amount of marijuana that does  
167 not exceed the allowable amount. The presumption may be rebutted  
168 by evidence that conduct related to marijuana was not for the  
169 purpose of treating or alleviating a qualifying patient's  
170 debilitating medical condition or symptoms associated with the  
171 qualifying patient's debilitating medical condition under this  
172 act.

173           (4) A physician shall not be subject to arrest, prosecution,  
174 or penalty in any manner, or denied any right or privilege,

175 including, but not limited to, civil penalty or disciplinary

177 occupational or professional licensing board or bureau, solely for  
178 providing written certifications or for otherwise stating that, in  
179 the physician's professional opinion, a patient is likely to  
180 receive therapeutic or palliative benefit from the therapeutic use  
181 of marijuana to treat or alleviate the patient's serious or  
182 debilitating medical condition or symptoms associated with the  
183 serious or debilitating medical condition, provided that nothing  
184 in this act shall prevent a physician from being sanctioned for:

185 (a) Issuing a written certification to a patient with  
186 whom the physician does not have a bona fide physician-patient  
187 relationship; or

188 (b) Failing to properly evaluate a patient's medical  
189 condition.

190 (5) An attorney may not be subject to disciplinary action by  
191 the Mississippi State Bar or other professional licensing

194 to activity that is no longer subject to criminal penalties under  
195 state law under this act.

196 (6) No person may be subject to arrest, prosecution, or  
197 penalty in any manner, or denied any right or privilege, including  
198 any civil penalty or disciplinary action by a court or  
199 occupational or professional licensing board or bureau, for:

200 (a) Providing or selling marijuana paraphernalia to a  
201 cardholder or to a therapeutic marijuana establishment;

208 act of using or administering marijuana.

210 marijuana establishment agent is not subject to prosecution,  
211 search, or inspection, except by the department under Section 16  
212 of this act, seizure, or penalty in any manner, and may not be  
213 denied any right or privilege, including civil penalty or  
214 disciplinary action by a court or business licensing board or  
215 entity, for acting in accordance with this act and rules  
216 authorized by this act to engage in activities related to  
217 therapeutic marijuana that are allowed by its registration.

218 (8) A dispensary or a dispensary agent is not subject to  
219 prosecution, search, or inspection, except by the department under  
220 Section 16 of this act, seizure, or penalty in any manner, and may  
221 not be denied any right or privilege, including civil penalty or  
222 disciplinary action by a court or business licensing board or  
223 entity, for acting in accordance with this act and rules  
224 authorized by this act to:

225 (a) Possess, plant, propagate, cultivate, grow,  
226 harvest, produce, process, manufacture, compound, convert,  
227 prepare, pack, repack, transport, or store marijuana and marijuana  
228 products;

229 (b) Deliver, transfer, and transport marijuana to  
230 testing facilities and compensate testing facilities for services  
231 provided;

232 (c) Purchase or otherwise acquire marijuana or  
233 marijuana products from dispensaries; and

234 (d) Deliver, sell, supply, transfer, or transport  
235 marijuana, marijuana products, and marijuana paraphernalia, and  
236 related supplies and educational materials to cardholders or  
237 dispensaries;

238 (e) Obtain marijuana seeds from qualifying patients  
239 from other states or from marijuana businesses that are registered  
240 in another jurisdiction.

241 (9) A testing facility or testing facility agent is not  
242 subject to prosecution, search, or inspection, except by the  
243 department under Section 16 of this act, seizure, or penalty in  
244 any manner, and may not be denied any right or privilege,  
245 including civil penalty or disciplinary action by a court or  
246 business licensing board or entity, for acting in accordance with  
247 this act and rules authorized by this act to:

248 (a) Acquire, possess, transport, and store marijuana  
249 and marijuana products obtained from cardholders and therapeutic  
250 marijuana establishments;

251 (b) Return the marijuana and marijuana products to the  
252 cardholders and therapeutic marijuana establishments from whom it  
253 was obtained;

254 (c) Test marijuana, including for potency, pesticides,  
255 mold, or contaminants; and

256 (d) Receive compensation for those services.

257 (10) The staffer of a therapeutic marijuana establishment  
258 that is registered in another jurisdiction may sell or donate  
259 marijuana seeds to cultivation facilities. A patient who is  
260 registered in another state may donate marijuana seeds to  
261 cultivation facilities.

262 (11) Any marijuana, marijuana product, marijuana  
263 paraphernalia, or other interest in or right to property that is  
264 possessed, owned, or used in connection with the therapeutic use  
265 of marijuana as allowed under this act, or acts incidental to that  
266 use, shall not be seized or forfeited. This act shall not prevent  
267 the seizure or forfeiture of marijuana exceeding the amounts  
268 allowed under this act, nor shall it prevent seizure or forfeiture  
269 if the basis for the action is unrelated to the marijuana that is  
270 possessed, manufactured, transferred, or used in accordance with  
271 this act.

272 (12) Possession of, or application for, a registry  
273 identification card does not constitute probable cause or  
274 reasonable suspicion, nor shall it be used to support a search of  
275 the person or property of the person possessing or applying for  
276 the registry identification card, or otherwise subject the person  
277 or property of the person to inspection by any governmental  
278 agency.

279 (13) For the purposes of state law, activities related to  
280 therapeutic marijuana shall be considered lawful as long as they  
281 are in accordance with this act.

282 (14) It is the public policy of the State of Mississippi  
283 that contracts related to therapeutic marijuana that are entered  
284 into by cardholders, therapeutic marijuana establishments, or  
285 therapeutic marijuana establishment agents, and those who allow  
286 property to be used by those persons, shall be enforceable. It is  
287 the public policy of the State of Mississippi that no contract  
288 entered into by a cardholder, a therapeutic marijuana  
289 establishment, or a therapeutic marijuana establishment agent, or  
290 by a person who allows property to be used for activities that are  
291 exempt from state criminal penalties by this act, shall be  
292 unenforceable on the basis that activities related to marijuana  
293 are prohibited by federal law.

294 **SECTION 4. Limitations.** This act does not authorize any  
295 person to engage in, and does not prevent the imposition of any

296 civil, criminal, or other penalties for engaging in, the following  
297 conduct:

298 (a) Undertaking any task under the influence of  
299 marijuana, when doing so would constitute negligence or  
300 professional malpractice;

301 (b) Possessing marijuana or otherwise engaging in the  
302 therapeutic use of marijuana in any correctional facility, unless  
303 the correctional facility has elected to allow the cardholder to  
304 engage in the therapeutic use of marijuana;

305 (c) Smoking marijuana; or

306 (d) Operating, navigating, or being in actual physical  
307 control of any motor vehicle, aircraft, train, or motorboat while  
308 under the influence of marijuana.

309 **SECTION 5. Addition of debilitating medical conditions.**

310 Any resident of Mississippi may petition the department to add  
311 serious medical conditions or their treatments to the list of  
312 debilitating medical conditions listed in Section 2 of this act.  
313 The department shall consider petitions in the manner required by  
314 department regulation, including public notice and hearing. The  
315 department shall approve or deny a petition within one hundred  
316 eighty (180) days of its submission. The approval or denial of  
317 any petition is a final decision of the department, subject to  
318 judicial review. Jurisdiction and venue for judicial review are  
319 vested in the circuit court.

320 **SECTION 6. Acts not required and acts not prohibited.**

321 (1) Nothing in this act requires a government medical  
322 assistance program or private insurer to reimburse a person for  
323 costs associated with the therapeutic use of marijuana.

324 (2) Nothing in this act prohibits an employer from  
325 disciplining an employee for ingesting marijuana in the workplace  
326 or for working while under the influence of marijuana.

327 **SECTION 7. Issuance and denial of registry identification**

328 **cards.** (1) No later than one hundred forty (140) days after the  
329 effective date of this act, the department shall begin issuing  
330 registry identification cards to qualifying patients who submit  
331 the following, in accordance with the department's regulations:

332 (a) A written certification issued by a physician  
333 within ninety (90) days immediately preceding the date of the  
334 application;

335 (b) The name, address, and date of birth of the  
336 qualifying patient, except that if the applicant is homeless, no  
337 address is required;

338 (c) The name, address, and telephone number of the  
339 qualifying patient's physician;

340 (d) The name, address, and date of birth of the  
341 designated caregiver, or designated caregivers, chosen by the  
342 qualifying patient;

343 (e) If more than one (1) designated caregiver is  
344 designated at any given time, documentation demonstrating that a

345 greater number of designated caregivers is needed due to the  
346 patient's age or medical condition; and

347 (f) The name of the dispensary that the qualifying  
348 patient designates, if any.

349 (2) If the qualifying patient is unable to submit the  
350 information required by subsection (1) of this section due to the  
351 person's age or medical condition, the person responsible for  
352 making medical decisions for the qualifying patient may do so on  
353 behalf of the qualifying patient.

354 (3) Except as provided in subsection (5) of this section,  
355 the department shall:

356 (a) Verify the information contained in an application  
357 or renewal submitted under this act and approve or deny an  
358 application or renewal within fifteen (15) days of receiving a  
359 completed application or renewal application;

360 (b) Issue registry identification cards to a qualifying  
361 patient and his or her designated caregiver(s), if any, within  
362 five (5) days of approving the application or renewal. A

364 each of his or her qualifying patients; and

365 (c) Enter the registry identification number of the  
366 dispensary the patient designates into the verification system.

367 (4) The department may conduct a background check of the  
368 prospective designated caregiver in order to carry out this  
369 provision.

370 (5) The department shall not issue a registry identification  
371 card to a qualifying patient who is younger than eighteen (18)  
372 years of age unless:

373 (a) The qualifying patient's physician has explained  
374 the potential risks and benefits of the therapeutic use of  
375 marijuana to the custodial parent or legal guardian with  
376 responsibility for health care decisions for the qualifying  
377 patient; and

378 (b) The custodial parent or legal guardian with  
379 responsibility for health care decisions for the qualifying  
380 patient consents in writing to:

381 (i) Allow the qualifying patient's therapeutic use  
382 of marijuana;

383 (ii) Serve as the qualifying patient's designated  
384 caregiver; and

385 (iii) Control the acquisition of the marijuana,  
386 the dosage, and the frequency of the therapeutic use of marijuana  
387 by the qualifying patient.

388 (6) The department may deny an application or renewal of a  
389 qualifying patient's registry identification card only if the  
390 applicant:

391 (a) Did not provide the required information or  
392 materials;

393 (b) Previously had a registry identification card  
394 revoked; or

395 (c) Provided false information.

396 (7) The department may deny an application or renewal for a  
397 designated caregiver chosen by a qualifying patient whose registry  
398 identification card was granted only if:

399 (a) The designated caregiver does not meet the  
400 requirements of Section 3 of this act;

401 (b) The applicant did not provide the information  
402 required;

403 (c) The designated caregiver previously had a registry  
404 identification card revoked; or

405 (d) The applicant or the designated caregiver provided  
406 false information.

407 (8) The department shall give written notice to the  
408 qualifying patient of the reason for denying a registry  
409 identification card to the qualifying patient or to the qualifying  
410 patient's designated caregiver.

411 (9) Denial of an application or renewal is considered a  
412 final department action, subject to judicial review. Jurisdiction  
413 and venue for judicial review are vested in the circuit court.

414 (10) Until a qualifying patient who has submitted an  
415 application to the department receives a registry identification  
416 card or a rejection, a copy of the individual's application,  
417 written certification, and proof that the application was  
418 submitted to the department shall be deemed a registry  
419 identification card.

420 (11) Until a designated caregiver whose qualifying patient  
421 has submitted an application receives a registry identification  
422 card or a rejection, a copy of the qualifying patient's  
423 application, written certification, and proof that the application  
424 was submitted to the department shall be deemed a registry  
425 identification card.

426 **SECTION 8. Contents of registry identification cards.**

427 (1) Registry identification cards must contain all of the  
428 following:

429 (a) The name of the cardholder;

430 (b) A designation of whether the cardholder is a  
431 qualifying patient or a designated caregiver;

432 (c) The date of issuance and expiration date of the  
433 registry identification card;

434 (d) A random ten-digit alphanumeric identification  
435 number, containing at least four (4) numbers and at least four (4)  
436 letters, that is unique to the cardholder;

437 (e) If the cardholder is a designated caregiver, the  
438 random identification number of the qualifying patient the  
439 designated caregiver will assist;

440 (f) A photograph of the cardholder, if the department's  
441 regulations require one; and

442 (g) The phone number or web address where the card can  
443 be verified.

444 (2) Except as provided in subsection (3) of this section,  
445 the expiration date shall be one (1) year after the date of  
446 issuance.

447 (3) If the physician stated in the written certification  
448 that the qualifying patient would benefit from marijuana until a  
449 specified earlier date, then the registry identification card  
450 shall expire on that date.

451 **SECTION 9. Verification system.** (1) The department shall  
452 maintain a confidential list of the persons to whom the department  
453 has issued registry identification cards and their addresses,  
454 phone numbers, and registry identification numbers. This  
455 confidential list shall not be combined or linked in any manner  
456 with any other list or database, nor shall it be used for any  
457 purpose not provided for in this act.

458 (2) Within one hundred twenty (120) days after the effective  
459 date of this act, the department shall establish a secure phone or  
460 web-based verification system. The verification system must allow

931 apply to or supersede any of the provisions of Section 41-29-136.

932           **SECTION 21.**   **Severability.**   Any section of this act being  
933 held invalid as to any person or circumstance shall not affect the  
934 application of any other section of this act that can be given  
935 full effect without the invalid section or application.

936           **SECTION 22.**   **Repeal of act.**   This act shall stand repealed  
937 five (5) years after the date that the first dispensary begins  
938 supplying qualifying patients with marijuana.   The department  
939 shall determine the repeal date of this act and shall issue a  
940 public statement declaring that the act will be repealed on that  
941 date.

942           **SECTION 23.**   Section 41-29-125, Mississippi Code of 1972, is  
943 amended as follows:

944           41-29-125.   (1)   The State Board of Pharmacy may promulgate  
945 rules and regulations relating to the registration and control of  
946 the manufacture, distribution and dispensing of controlled  
947 substances within this state and the distribution and dispensing  
948 of controlled substances into this state from an out-of-state  
949 location.

950                   (a)   Every person who manufactures, distributes or  
951 dispenses any controlled substance within this state or who  
952 distributes or dispenses any controlled substance into this state  
953 from an out-of-state location, or who proposes to engage in the  
954 manufacture, distribution or dispensing of any controlled

955 substance within this state or the distribution or dispensing of  
956 any controlled substance into this state from an out-of-state  
957 location, must obtain a registration issued by the State Board of  
958 Pharmacy, the State Board of Medical Licensure, the State Board of  
959 Dental Examiners, the Mississippi Board of Nursing or the  
960 Mississippi Board of Veterinary Medicine, as appropriate, in  
961 accordance with its rules and the law of this state. Such  
962 registration shall be obtained annually or biennially, as  
963 specified by the issuing board, and a reasonable fee may be  
964 charged by the issuing board for such registration.

965 (b) Persons registered by the State Board of Pharmacy,  
966 with the consent of the United States Drug Enforcement  
967 Administration and the State Board of Medical Licensure, the State  
968 Board of Dental Examiners, the Mississippi Board of Nursing or the  
969 Mississippi Board of Veterinary Medicine to manufacture,  
970 distribute, dispense or conduct research with controlled  
971 substances may possess, manufacture, distribute, dispense or  
972 conduct research with those substances to the extent authorized by  
973 their registration and in conformity with the other provisions of  
974 this article.

975 (c) The following persons need not register and may  
976 lawfully possess controlled substances under this article:

977 (1) An agent or employee of any registered  
978 manufacturer, distributor or dispenser of any controlled substance  
979 if he is acting in the usual course of his business or employment;

980                   (2) A common or contract carrier or warehouse, or  
981 an employee thereof, whose possession of any controlled substance  
982 is in the usual course of business or employment;

983                   (3) An ultimate user or a person in possession of  
984 any controlled substance pursuant to a valid prescription or in  
985 lawful possession of a Schedule V substance as defined in Section  
986 41-29-121.

987                   (d) The State Board of Pharmacy may waive by rule the  
988 requirement for registration of certain manufacturers,  
989 distributors or dispensers if it finds it consistent with the  
990 public health and safety.

991                   (e) A separate registration is required at each  
992 principal place of business or professional practice where an  
993 applicant within the state manufactures, distributes or dispenses  
994 controlled substances and for each principal place of business or  
995 professional practice located out-of-state from which controlled  
996 substances are distributed or dispensed into the state.

997                   (f) The State Board of Pharmacy, the Mississippi Bureau  
998 of Narcotics, the State Board of Medical Licensure, the State  
999 Board of Dental Examiners, the Mississippi Board of Nursing and  
1000 the Mississippi Board of Veterinary Medicine may inspect the  
1001 establishment of a registrant or applicant for registration in  
1002 accordance with the regulations of these agencies as approved by  
1003 the board.

1004           (2) Whenever a pharmacy ships, mails or delivers any  
1005 Schedule II controlled substance listed in Section 41-29-115 to a  
1006 private residence in this state, the pharmacy shall arrange with  
1007 the entity that will actually deliver the controlled substance to  
1008 a recipient in this state that the entity will: (a) deliver the  
1009 controlled substance only to a person who is eighteen (18) years  
1010 of age or older; and (b) obtain the signature of that person  
1011 before delivering the controlled substance. The requirements of  
1012 this subsection shall not apply to a pharmacy serving a nursing  
1013 facility or to a pharmacy owned and/or operated by a hospital,  
1014 nursing facility or clinic to which the general public does not  
1015 have access to purchase pharmaceuticals on a retail basis.

1016           (3) This section does not apply to any of the actions  
1017 regarding the therapeutic use of marijuana that are lawful under  
1018 the Mississippi Medical Marijuana Pilot Program Act. This  
1019 subsection shall stand repealed on the date that the Mississippi  
1020 Medical Marijuana Pilot Program Act is repealed as provided in  
1021 Section 22 of this act.

1022           **SECTION 24.** Section 41-29-127, Mississippi Code of 1972, is  
1023 amended as follows:

1024           41-29-127. (a) The state board of pharmacy shall register  
1025 an applicant to manufacture or distribute controlled substances  
1026 included in Sections 41-29-113 through 41-29-121 unless it  
1027 determines that the issuance of that registration would be  
1028 inconsistent with the public interest. In determining the public

1029 interest, the state board of pharmacy shall consider the following  
1030 factors:

1031 (1) Maintenance of effective controls against diversion  
1032 of controlled substances into other than legitimate medical,  
1033 scientific, or industrial channels;

1034 (2) Compliance with applicable state and local law;

1035 (3) Any convictions of the applicant under any federal  
1036 and state laws relating to any controlled substance;

1037 (4) Past experience in the manufacture or distribution  
1038 of controlled substances and the existence in the applicant's  
1039 establishment of effective controls against diversion;

1040 (5) Furnishing by the applicant of false or fraudulent  
1041 material in any application filed under this article;

1042 (6) Suspension or revocation of the applicant's federal  
1043 registration to manufacture, distribute, or dispense controlled  
1044 substances as authorized by federal law; and

1045 (7) Any other factors relevant to and consistent with  
1046 the public health and safety.

1047 (b) Registration under subsection (a) does not entitle a  
1048 registrant to manufacture and distribute controlled substances in  
1049 Schedule I or II, as set out in Sections 41-29-113 and 41-29-115,  
1050 other than those specified in the registration.

1051 (c) Practitioners must be registered to dispense any  
1052 controlled substances or to conduct research with controlled  
1053 substances in Schedules II through V, as set out in Sections

1054 41-29-115 through 41-29-121, if they are authorized to dispense or  
1055 conduct research under the law of this state. The state board of  
1056 pharmacy need not require separate registration under this section  
1057 for practitioners engaging in research with nonnarcotic controlled  
1058 substances in the said Schedules II through V where the registrant  
1059 is already registered therein in another capacity. Practitioners  
1060 registered under federal law to conduct research with Schedule I  
1061 substances, as set out in Section 41-29-113, may conduct research  
1062 with Schedule I substances within this state upon furnishing the  
1063 state board of health evidence of that federal registration.

1064 (d) Compliance by manufacturers and distributors with the  
1065 provisions of the federal law respecting registration (excluding  
1066 fees) entitles them to be registered under this article.

1067 (e) This section does not apply to any of the actions  
1068 regarding the therapeutic use of marijuana that are lawful under  
1069 the Mississippi Medical Marijuana Pilot Program Act. This  
1070 subsection shall stand repealed on the date that the Mississippi  
1071 Medical Marijuana Pilot Program Act is repealed as provided in  
1072 Section 22 of this act.

1073 **SECTION 25.** Section 41-29-136, Mississippi Code of 1972, is  
1074 amended as follows:

1075 41-29-136. (1) "CBD oil" means processed cannabis plant  
1076 extract, oil or resin that contains more than fifteen percent  
1077 (15%) cannabidiol, or a dilution of the resin that contains at

1078 least fifty (50) milligrams of cannabidiol per milliliter, but not  
1079 more than one-half of one percent (0.5%) of tetrahydrocannabinol.

1080 (2) (a) CBD oil may only be obtained on the order of a

1083 of the physician.

1084 (b) (i) The CBD oil must be obtained from or tested by  
1085 the National Center for Natural Products Research at the  
1086 University of Mississippi and dispensed by the Department of  
1087 Pharmacy Services at the University of Mississippi Medical Center.

1088 (ii) The patient or the patient's parent, guardian  
1089 or custodian must execute a hold-harmless agreement that releases  
1090 from liability the state and any division, agency, institution or  
1091 employee thereof involved in the research, cultivation,  
1092 processing, dispensing, prescribing or administration of CBD oil.

1093 (c) The National Center for Natural Products Research  
1094 at the University of Mississippi, the Department of Pharmacy  
1095 Services at the University of Mississippi Medical Center and the  
1096 Mississippi Agricultural and Forestry Experiment Station at  
1097 Mississippi State University are the only entities authorized to  
1098 produce or possess cannabidiol for research.

1099 (3) (a) Research of CBD oil under this section must comply  
1100 with the provisions of Section 41-29-125 regarding lawful  
1101 possession of controlled substances, of Section 41-29-137  
1102 regarding record-keeping requirements relative to the dispensing,

1103 use or administration of controlled substances, and of Section  
1104 41-29-133 regarding inventory requirements, insofar as they are  
1105 applicable.

1106 (b) The National Center for Natural Products Research  
1107 at the University of Mississippi, the Department of Pharmacy  
1108 Services at the University of Mississippi Medical Center and the  
1109 Mississippi Agricultural and Forestry Experiment Station at  
1110 Mississippi State University are authorized to pursue any federal  
1111 permits or waivers necessary to conduct the programs authorized  
1112 under this section.

1113 (4) (a) In a prosecution for the unlawful possession  
1114 of \* \* \* marijuana under the laws of this state, it is an  
1115 affirmative and complete defense to prosecution that:

1116 (i) The defendant suffered from a debilitating  
1117 epileptic condition or related illness and the use or possession  
1118 of CBD oil was pursuant to the order of a physician as authorized  
1119 under this section; or

1120 (ii) The defendant is the parent, guardian or  
1121 custodian of an individual who suffered from a debilitating  
1122 epileptic condition or related illness and the use or possession  
1123 of CBD oil was pursuant to the order of a physician as authorized  
1124 under this section.

1125 (b) An agency of this state or a political subdivision  
1126 thereof, including any law enforcement agency, may not initiate  
1127 proceedings to remove a child from the home based solely upon the

1128 possession or use of CBD oil by the child or parent, guardian or  
1129 custodian of the child as authorized under this section.

1130 (c) An employee of the state or any division, agency,  
1131 institution thereof involved in the research, cultivation,  
1132 processing, dispensing, prescribing or administration of CBD oil  
1133 shall not be subject to prosecution for unlawful possession, use,  
1134 distribution or prescription of \* \* \* marijuana under the laws of  
1135 this state for activities arising from or related to the use of  
1136 CBD oil in the treatment of individuals diagnosed with a  
1137 debilitating epileptic condition under this section.

1138 (5) This section does not apply to any of the actions  
1139 regarding the therapeutic use of marijuana that are lawful under  
1140 the Mississippi Medical Marijuana Pilot Program Act. This  
1141 subsection shall stand repealed on the date that the Mississippi  
1142 Medical Marijuana Pilot Program Act is repealed as provided in  
1143 Section 22 of this act.

1144 ( \* \* \*6) This section shall be known as "Harper Grace's  
1145 Law."

1146 ( \* \* \*7) This section shall stand repealed from and after  
1147 July 1, 2017.

1148 **SECTION 26.** Section 41-29-137, Mississippi Code of 1972, is  
1149 amended as follows:

1150 41-29-137. (a) (1) Except when dispensed directly by a  
1151 practitioner, other than a pharmacy, to an ultimate user, no  
1152 controlled substance in Schedule II, as set out in Section

1153 41-29-115, may be dispensed without the written valid prescription  
1154 of a practitioner. A practitioner shall keep a record of all  
1155 controlled substances in Schedule I, II and III administered,  
1156 dispensed or professionally used by him otherwise than by  
1157 prescription.

1158 (2) In emergency situations, as defined by rule of the  
1159 State Board of Pharmacy, Schedule II drugs may be dispensed upon  
1160 the oral valid prescription of a practitioner, reduced promptly to

1162 retained in conformity with the requirements of Section 41-29-133.

1168 and 41-29-119, shall not be dispensed without a written or oral  
1169 valid prescription of a practitioner. The prescription shall not  
1170 be filled or refilled more than six (6) months after the date  
1171 thereof or be refilled more than five (5) times, unless renewed by  
1172 the practitioner.

1173 (c) A controlled substance included in Schedule V, as set  
1174 out in Section 41-29-121, shall not be distributed or dispensed

1180 treatment and management of eye disease by written prescription  
1181 only.

1182 (e) Administration by injection of any pharmaceutical  
1183 product authorized in this section is expressly prohibited except  
1184 when dispensed directly by a practitioner other than a pharmacy.

1185 (f) (1) For the purposes of this article, Title 73, Chapter

1196 of the evaluation are conducted by other health professionals.

1197 (B) "Covering practitioner" means a practitioner  
1198 who conducts a medical evaluation other than an in-person medical  
1199 evaluation at the request of a practitioner who has conducted at

1201 evaluation of the patient through the practice of telemedicine

1202 within the previous twenty-four (24) months and who is temporarily  
1203 unavailable to conduct the evaluation of the patient.

1204 (3) A prescription for a controlled substance based

1306 herein as appropriate:

1307 "Dosage unit (d.u.)" means a tablet or capsule, or in the

1317 controlled substance.

1318 If a mixture or substance contains more than one (1)
