AN ACT to amend the public health law, the tax law, the general business law and the penal law, in relation to medical use of marihuana

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature finds that thousands of New Yorkers have serious medical conditions that can be improved by medically-approved use of marihuana. The law should not stand between them and treatment necessary for life and health. This legislation follows the well-established public policy that a controlled substance can have a legitimate medical use. Many controlled substances that are legal for medical use (such as morphine and steroids) are illegal for any other use. The purposes of article 33 of the public health law include allowing legitimate use of controlled substances in health care, including palliative care. This policy and this legislation do not in any way diminish New York state's strong public policy and laws against illegal drug use, nor should it be deemed in any manner to advocate, authorize, promote, or legally or socially accept the use of marihuana for children or adults, for any non-medical use. This legislation is an appropriate exercise of the state's legislative power to protect the health of its people under article 17 of the state constitution and the tenth amendment of the United States constitution.

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [ ] is old law to be omitted.

A. 6357  2

1 It is the legislative intent that this act be implemented consistently with these findings and principles, through a reasonable and workable system with appropriate oversight; strong "seed to sale" regulation to prevent diversion, abuse, and other illegal conduct; reasonable access to and appropriate use of medical marihuana by certified patients; evaluation; and continuing research.

PROVIDED THAT A CERTIFICATION AND APPLICATION SHALL NOT SERVE AS A VALID
REGISTRY IDENTIFICATION CARD AFTER THE INITIAL THIRTY DAY PERIOD UNDER
SUBDIVISION SIX OF THIS SECTION. THIS PARAGRAPH SHALL EXPIRE AND HAVE
NO EFFECT ONE YEAR AFTER THE REGISTRY IMPLEMENTATION DATE.

15. IF THE DEPARTMENT FAILS TO BEGIN ISSUING REGISTRY IDENTIFICATION

(a) An application for the renewal of any registration issued under this section shall be filed with the department not more than six months nor less than four months prior to the expiration thereof.
