5.5.5 **Expiration Date.** The registry identification card of a principal officer, board member, agent, volunteer or employee shall expire one (1) year after its issuance, upon the termination of the principal officer, board member, agent, volunteer or employee’s relationship with the compassion center or upon the expiration of the compassion center's registration certificate, whichever occurs first.

5.6 **Expiration, Termination or Renewal of a Registration Certificate Authorizing Operation of a Compassion Center.**

5.6.1 A compassion center's registration shall expire two (2) years after its registration certificate is issued. The compassion center may submit a renewal application beginning sixty (60) days prior to the expiration of its registration certificate;

5.6.2 The Department shall grant a compassion center's renewal application within thirty (30) days of its submission if the following conditions are all satisfied:

(a) The compassion center submits the materials required under §5.4 of these Regulations, including a fee as set forth in the Rules and Regulations Pertaining to the Fee Structure for Licensing, Laboratory and Administrative Services Provided by the Department of Health;

(b) The Department has not ever suspended the compassion center's registration for violations of the Act or these Regulations;

(c) The Legislative Oversight Committee's report, if issued pursuant to §21-28.6-12(j) of the Act, indicates that the compassion center is adequately providing patients with access to medical marijuana at reasonable rates; and
(d) The Legislative Oversight Committee's report, if issued pursuant to §21-28.6-12(j) of the Act, does not raise serious concerns about the continued operation of the compassion center applying for renewal.

5.6.3 If the Department determines that any of the conditions listed in §§5.6.2(b), 5.6.2(c) or 5.6.2(d) of these Regulations have not been met, the Department shall begin an open application process for the operation of a compassion center. In granting a new registration certificate, the Department shall consider the review criteria listed in §21-28-12(c)(3) of the Act.

5.6.4 The Department shall issue a compassion center one (1) or more thirty (30) day temporary registration certificates after that compassion center's registration would otherwise expire if the following conditions are all satisfied:

(a) A change in ownership of the compassion center;

(b) A change in one (1) or more authorized physical locations; or

(c) The compassion center discontinues its operation.

5.7.2 A compassion center shall provide the Department with a written notice of any change described in §5.7.1 of these Regulations at least sixty (60) days prior to the proposed effective date of the change. The Department may waive all or part of the required advance notice to address emergent or emergency situations.

5.7.3 Transactions which usually do not constitute a change of ownership include the following:

(a) Changes in the membership of a board of directors or board of trustees; or

(b) Two (2) or more legal entities merge and the entity to whom the registration certificate authorizing operation of a compassion center was issued survives.

5.7.4 Management agreements are generally not considered a change in ownership if the entity to whom the registration certificate authorizing operation of a compassion center was issued continues to retain ultimate authority for the operation of the compassion center. However, if the ultimate authority is
surrendered and transferred from the entity to whom the registration certificate authorizing operation of a compassion center was issued to a new manager, then a change of ownership has occurred.

5.8 **Maximum Amount of Usable Marijuana to be Dispensed.**

5.8.1 A compassion center or principal officer, board member, agent, volunteer or employee of a compassion center shall not dispense, deliver or otherwise transfer marijuana to a person other than a qualifying patient who has designated the compassion center as a primary caregiver or to such patient's other primary caregiver.

5.8.2 A compassion center or principal officer, board member, agent, volunteer or employee of a compassion center shall not dispense more than two and one half ounces (2.5 oz) of usable marijuana to a qualifying patient directly or through a qualifying patient’s other primary caregiver during a fifteen (15) day period.

5.8.3 A compassion center or principal officer, board member, agent, volunteer or employee of a compassion center shall not dispense an amount of usable marijuana or marijuana plants to a qualifying patient or a qualifying patient's other primary caregiver that the compassion center, principal officer, board member, agent, volunteer or employee knows would cause the recipient to possess more marijuana than is permitted under the Act or these Regulations.

5.8.4 A person found to have violated §5.8.1 of these Regulations is not eligible to be an employee, agent, volunteer, principal officer or board member of any compassion center, and such person's registry identification card shall be immediately revoked.

5.9 **Inspection.** Compassion centers are subject to reasonable inspection by the Department’s Office of Facilities Regulation. During an inspection, the Department may review the compassion center's confidential records, including its dispensing records, which shall track transactions according to qualifying patients' registry identification numbers to protect their confidentiality.

6.2 A practitioner, nurse, or pharmacist shall not be subject to arrest, prosecution or penalty in any manner, or denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by a business or occupational or professional licensing board or

6.4 For the purposes of medical care, including organ transplants, a registered qualifying patient's authorized use of marijuana shall be considered the equivalent of the authorized use of any other medication used at the direction of a physician, and shall not constitute the use of an illicit substance.

6.5 No state employee shall be subject to arrest, prosecution or penalty in any manner, or denied any right or privilege, including, but not limited to, civil penalty, disciplinary action, termination, or loss of employee or pension benefits, for any and all conduct that occurs within the scope of his or her employment regarding the administration, execution and/or enforcement of the Act, and the provisions of RIGL §9-31-8 and §9-31-9 shall be applicable to this section.

Section 7.0 Confidentiality Provisions

7.4 All records maintained by a compassion center which pertain to one or more registered qualifying patients or other registered primary caregivers shall be considered:

7.4.1 Confidential health care information under applicable Rhode Island law; and
7.4.2 Protected health care information for purposes of the Federal Health Insurance Portability and Accountability Act of 1996, as amended.

7.5 Pursuant to §21-28.6-6(j) of the Act, the Department may notify law enforcement personnel about falsified or fraudulent information submitted to the Department.

8.1.3 Any person to operate, navigate, or be in actual physical control of any motor vehicle, aircraft, or motorboat while under the influence of marijuana. However, a registered qualifying patient shall not be considered to be under the influence solely for having marijuana metabolites in his or her system.

8.2 Nothing in the Act or these Regulations shall be construed to require:

8.2.1 A government medical assistance program or private health insurer to reimburse a person for costs associated with the medical use of marijuana; or

8.2.2 An employer to accommodate the medical use of marijuana in any workplace.

Section 9.0 Penalties for Violations

Section 11.0 Severability

11.1 If any provision of the Act or these Regulations or its application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act or these Regulations, which can be given effect without the invalid provision or application, and to this end the provisions of the Act and these Regulations are declared to be severable.
