Legislative Counsel’s Digest:

1 Under existing law, the State of Nevada provides immunity from state and local
2 prosecution for possessing, delivering and producing marijuana in certain limited
3 amounts for patients with qualifying medical conditions, and their designated primary
4 caregivers, who apply to and receive from the Health Division of the Department of
5 Health and Human Services a registry identification card. Existing law does not specify
6 the manner in which qualifying patients and their designated primary caregivers are to
7 obtain marijuana. (Chapter 453A of NRS)

8 **Section 1** of this bill makes it a crime, punishable as a category E felony, for a
9 person to counterfeit or forge or attempt to counterfeit or forge a registry identification
10 card, which is the instrument that indicates a bearer is entitled to engage in the medical
11 use of marijuana. **Section 1.7** of this bill makes it a crime, punishable as a category E
12 felony, for a person to grow, harvest or process more than 12 marijuana plants, and
13 also makes such a person liable for costs of cleanup and disposal.

14 **Sections 3.5, 7.3, 7.5, 8 and 8.3** of this bill define what is meant by a “medical
15 marijuana establishment,” which includes: (1) cultivation facilities; (2) facilities for the
16 production of edible marijuana products or marijuana-infused products; (3)
17 independent testing laboratories; and (4) medical marijuana dispensaries.

18 **Section 1.4** of this bill creates the Subcommittee on the Medical Use of Marijuana
19 of the Advisory Commission on the Administration of Justice. The Subcommittee is
20 tasked with considering, evaluating, reviewing and reporting on the medical use of
21 marijuana, the dispensation of marijuana for medical use and laws providing for the
22 dispensation of marijuana for medical use.

23 **Sections 10-11.7** of this bill set forth the manner in which a person may apply to
24 obtain a registration certificate to operate a medical marijuana establishment. **Section**
25 **10** mandates background checks for persons proposed to be owners, officers or board
26 members of medical marijuana establishments, and requires such establishments to be
27 sited at least 1,000 feet from existing schools and at least 300 feet from certain existing
28 community facilities. **Section 10.5** requires that medical marijuana establishments be
29 located in accordance with local governmental ordinances on zoning and land use, and
30 be professional in appearance. **Section 11** limits, by the size of the population of each
31 county, the number of medical marijuana establishments that may be certified in each
32 county, and also limits the Division to accepting applications for the certification of the
33 establishments to not more than 10 business days in any one calendar year. **Section**
34 **11.5** imposes limits to prevent the overconcentration of medical marijuana
35 establishments in one part of a county and to prevent situations of ownership that are
36 geographically monopolistic. **Section 11.7** sets forth the merit-based criteria to be used
37 by the Health Division of the Department of Health and Human Services in
38 determining whether to issue a registration certificate for the operation of a medical
39 marijuana establishment, including such criteria as financial solvency, experience in
40 running businesses, knowledge of medical marijuana and financial contributions by
41 way of the payment of taxes or otherwise to the State of Nevada and its political
42 subdivisions.

43 **Section 13** of this bill sets forth the procedure to apply for a medical marijuana
44 establishment agent registration card, including background checks, and specifies that
45 the application shall be deemed conditionally approved if the Division does not act
46 upon the application within 30 days, but the conditional approval is limited to the
47 period until such time as the Division acts upon the application.

48 **Section 12** of this bill provides the maximum fees to be charged by the Division
49 for the initial issuance and renewal of medical marijuana establishment registration
50 certificates and medical marijuana establishment agent registration cards. **Section 12**
51 also imposes, in the case of applications to operate a medical marijuana establishment,
52 a nonrefundable application fee of \$5,000. **Section 13.5** states that the registration
53 certificates and registration cards are nontransferable.

54 **Sections 14 and 15** of this bill, in accordance with federal law, outline the
55 procedure for the suspension of medical marijuana establishment registration
56 certificates and medical marijuana establishment agent registration cards in the event

57 that the holder fails to comply with certain requirements pertaining to the payment of
58 child support. **Sections 16 and 17** of this bill set forth the acts that are immediate
59 grounds for the Division to revoke a registration certificate or registration card. **Section**
60 **18** of this bill provides that it is a privilege to hold a registration certificate or
61 registration card and holding such an instrument conveys no vested rights.

62 **Section 19** of this bill sets forth requirements for the secure and lawful operation of
63 medical marijuana establishments. **Sections 19.1 and 19.2** of this bill, respectively,
64 require medical marijuana establishments to maintain an electronic verification system
65 and an inventory control system. Both systems are intended to work together to ensure
66 that marijuana cultivated for medical use is dispensed only in accordance with chapter
67 453A of NRS and only to persons authorized to engage in the medical use of
68 marijuana.

69 **Sections 19.3 and 20** of this bill require medical marijuana dispensaries to use an
70 independent testing laboratory to ensure that the products sold to end users are tested
71 for content, quality and potency. **Section 19.4** of this bill sets forth that medical
72 marijuana establishments are to use certain security protocols.

73 **Sections 19.5 and 24.9** of this bill provide for the dispensation of marijuana and
74 related products to persons who are not residents of this State. From April 1, 2014,
75 through March 31, 2016, a nonresident purchaser must sign an affidavit attesting to the
76 fact that he or she is entitled to engage in the medical use of marijuana in his or her
77 state or jurisdiction of residency. On and after April 1, 2016, the requirement for such
78 an affidavit is replaced by computer cross-checking between the State of Nevada and
79 other jurisdictions.

80 **Sections 19.6, 22.35, 22.4 and 22.45** of this bill allow a registry identification
81 cardholder and his or her designated primary caregiver, if any, to choose a particular
82 medical marijuana dispensary to be his or her designated medical marijuana
83 dispensary. The designation of a medical marijuana dispensary may be changed not
84 more than once every 30 days.

85 **Section 19.7** of this bill requires that marijuana, edible marijuana products and
86 marijuana-infused products be labeled and packaged in a safe manner.

87 **Section 19.8** of this bill allows the seizure of certain property possessed by a
88 medical marijuana establishment under certain strictly prescribed circumstances.

89 **Section 19.9** of this bill requires the Division to prescribe standards for the
90 operation of independent testing laboratories.

91 **Section 20** of this bill authorizes the Division to adopt any regulations the Division
92 determines to be necessary or advisable to carry out the program of dispensing
93 marijuana and related products to persons authorized by law to engage in the medical
94 use of marijuana.

95 **Sections 22 and 22.3** of this bill increase the amounts of marijuana, edible
96 marijuana products and marijuana-infused products that may be possessed collectively
97 by a registry identification cardholder and his or her designated primary caregiver, if
98 any. The increased amounts are derived, in substantial part, from the limits established
99 by the State of Arizona. **Sections 22 and 22.3** also provide a 2-year period, beginning
100 on April 1, 2014, and ending on March 31, 2016, during which persons who are
101 authorized to engage in the medical use of marijuana and who were cultivating,
102 growing or producing marijuana on or before July 1, 2013, are "grandfathered" to
103 continue such activity until March 31, 2016. On and after April 1, 2016, self-
104 cultivation, self-growing and self-production is prohibited unless the person engaging
105 in such activity qualifies for one of the compassionate exceptions from the prohibition,
106 including illness that precludes travel to a medical marijuana dispensary, and the lack
107 of a medical marijuana dispensary within 25 miles of the person's residence.

108 **Section 22.4** of this bill stipulates that a registry identification card must indicate
109 whether or not the holder is authorized to engage in the self-cultivation, self-growing
110 or self-production of marijuana for medical purposes.

111 **Section 24** of this bill reduces by 50 percent the fees currently charged by the
112 Division to provide an applicant with an application for a registry identification card,
113 and to process the application and issue the card.

114 **Section 24.4** of this bill: (1) imposes an excise tax of 2 percent on each wholesale
115 sale of marijuana, edible marijuana products and marijuana-infused products between
116 medical marijuana establishments; (2) imposes an excise tax of 2 percent on the retail
117 sale of marijuana and such products from a medical marijuana dispensary to an end
118 user; and (3) makes clear that the 2 percent excise tax on retail sales is in addition to
119 the state and local sales and use taxes that are otherwise imposed on the sale of tangible
120 personal property.
